**YOUTH NEWS**

Students are faced with difficult circumstances every day. How they respond to adversity not only reveals the condition of their hearts, but also is a clear indicator of Jesus' influence on their lives.

During *Rescued From an Ordinary Life*, we are taking an in-depth look at John 10:10. Each week we are focusing on a different aspect; instructing, challenging, and encouraging students to respond to God who wants to rescue them from an ordinary life and give them a better life than they ever dreamed of. I hope you will join us as we continue this study on Wednesday nights!
